

CUT'N'PASTE™

THE ORIGINAL SAFE WEEDKILLER GEL FOR

SHRUB & TREE WEEDS™

Important: Read front and back labels before use

CONVENIENT AND TARGETED FOR SHRUB AND TREE WEEDS
NO SPRAY - PASTE AND WASTE YOUR STUMPS AWAY

NZ Owned & Made

Contents 450ml

Directions: Make a horizontal cut through your tree or shrub very close to the base. Immediately apply a thick layer of gel as in the photo. The gel will soon be drawn into the plant's root system and seals the cut. Most plants will show no regrowth. Any regrowth should simply be retreated. For gorse and other more highly coppicing plants such as Chinese privet, use Bamboo Buster. For herbaceous weeds use Paste and Waste leaf gel. For detailed instructions and videos for specific weeds visit www.cutnpaste.co.nz or email info@cutnpaste.co.nz

HANDLING, PRECAUTIONS AND EQUIPMENT CARE

The gel won't travel through soil to affect untreated plants. It's sensible to use disposable gloves when applying. Avoid using on rainy days to reduce the risk of runoff. Clean the brush top after use to remove gel and plant debris and replace the cap. The empty container can be recycled.

Cut'n'Paste is ideal for weeds in reveg plantings, riparian areas, close to sensitive plants etc. No need to spray and risk your health or your other plants.

Do not apply on or around food intended for humans or animals.

STORAGE

In the closed original container in a cool dark place away from children, pets, foodstuffs, seeds, fertilizer and pesticides. Kept as recommended the gel should show no deterioration for two years from the date of manufacture (DOM).

ACTIVE INGREDIENT

Glyphosate IPA CAS 38641-94-0
EPA approval HSR100736
Hazard rating 9.1D
(Not dangerous goods)

FIRST AID MEASURES

Skin and clothes contact - wash thoroughly. **Ingestion:** Dilute with several glasses of water. DO NOT induce vomiting. For advice ring 0800 764 766 National Poisons Centre. **Eye Contact:** Hold eyelids apart and flush with running water for at least 15 minutes. Seek medical advice if irritation occurs.

**HARD ON YOUR WEEDS
KIND TO OUR ENVIRONMENT**

CUT'N'PASTE™ is a Trademark of Landman Ltd Registered Company 2406253
16 Hobson Terrace Waiheke Island 1081 NZ

Developed for you by a Park Ranger who served as a Biosecurity Officer on Waiheke Island.

Andy knows all about weeds; he has worked in conservation since 1988 and cares about our environment.

Andy developed **CUT'N'PASTE™** products to minimise the adverse affects of weed control on spray conscious Waiheke Island.

As used by the Department of Conservation and Councils throughout New Zealand.

"We do not inherit the earth from our ancestors. We borrow it from our children." NA Indian
